Features

Carpet Edition rugs are produced with natural or synthetic fibers. Due to differences in yarn batches and dye lots, colors, shades and structure may vary slightly from the original sample. All natural fibers are photosensitive, it is suggested not to expose them to direct sunlight as it can cause discoloration.
These carpets are handmade by expert knotters on a vertical loom.
The yarn used is hand spun and hand dyed in a natural way.
Color tolerance of ± 15% and size tolerance of ± 5% is accepted and within the norm.

Size

Edge included	
250x300 cm
