

## Technical data

Production method:	Hand tufted - All cut and loop
Material:	100% Tencel - Water resistant
Pile Height:	1,0 cm
Weight:	4,1 kg/sqm
Edge:	folded ribbon
Backing:	Cotton - Polyester canvas

## Features

TENCEL is an ecologically produced recyclable fiber made from renewable resources. The fibers are harvested from Eucalyptus trees which are grown naturally and pesticide free by agricultural companies and not from mature forests or genetically altered plants, Oeko Tex certified.

The TENCEL fiber is extremely clean and hypoallergenic. Carpet Edition rugs are produced with natural or synthetic fibers. Due to differences in yarn batches and dye lots, colors, shades and structure may vary slightly from the original sample. All natural fibers are photosensitive, it is suggested not to expose them to direct sunlight as it can cause discoloration. Sizes have a tolerance of  $\pm 5\%$

## Size

Edge included	
200x300 cm	
Delivery time:	2 weeks

## Custom size

From place of origin with edge included:	
Minimum order:	6 sqm
H. Max:	4 m
L. Max:	6 m
	For higher sizes, please enquiry
Delivery time:	5 weeks
